

February 2020 Newsletter

We will be taking part in **Valentines for Vets** this month. This is a program that was begun in 1989 by columnist Anne Landers, and Veteran's Affairs became involved in 1996. Last year over 17 000 Valentines were distributed to Veterans!

We will also be focusing on dental hygiene this month with (hopefully) a visit from a hygienist and related activities.

You may

notice a difference in how we're documenting the children's learning. In addition to our broader weekly documentation, we'll be showing you examples of the project-based learning that is taking place. This will give you an opportunity to appreciate the learning process as well as the finished product. Look for your child's involvement on the documentation board in the front entrance.

Dates to Remember in February:

February 4th – **RED DAY** (please wear red)

February 14th – **Muffin Breakfast** (come a few minutes early and have breakfast with your child)

- **Valentine's Party** (we'll send a list of names if your child wishes to exchange Valentine's cards)

February 28th – the children have requested a **PJ Day**

BIRTHDAYS THIS MONTH:

Tia – February 19th

REMEMBER SHOW & SHARE EVERY FRIDAY!

A special thank you to **Pacific Interiors** for donating tile and carpet samples, and to **Printing Unlimited** for their long-time support with donations of off-cuts and large rolls of paper. We use these materials in many areas of programming and they are much appreciated!
