Fall is one of our favorite times of the year! We love the colors and the crisper weather and playing dressup. This year we will each pick a costume to wear, it will be lots of fun. We will also decorate our own pumpkins and have individual fall sensory bins and activities. We still aren't permitted to do field trips but we will have pumpkins to carve.

WE can't accept treats from home for party day this year but we still have a fun and exciting day planned!

You

may notice that we are initiating a new security measure – we will be locking the front door once everyone is in at 10 am. This does not mean you don't have access to your kiddos, just ring the bell and we'll open the door for you! We are doing this for general security as well as COVID reasons.

Please send your child in layers of clothes, as mornings are cool and afternoons are warmer. Pretty soon we'll need snowsuits and boots!
