

June 2024 Newsletter

Dates to Remember in June:

- June 3 – Say Something Nice Day! (an anti-bullying campaign)
- June 6 – Yo-Yo Day – be ready for stringy fun!
- June 8 – National Best Friend Day (friendship art)
- June 14 – look for something special in the front entrance to take home for our dads
- June 16 – Father's Day
- June 21 – Teddy Bear Picnic Day (outside, weather permitting). – remember your teddys today!
- June 27 – Fancy Sunglasses Day – wear your sunglasses today!!

Our butterfly larvae will arrive soon. We are so excited to care for them, watch as they grow, and then let them go in our yard! It will take several weeks, but we are already planning an exciting butterfly release day, probably next month. The children will learn about the butterfly life cycle by seeing it first hand.

Does anyone have gently-used bikes that your children are done with? I'm looking to purchase these for our collection and would prefer second-hand!

Thanks for bringing spray sunscreen everyone, please be sure to give it to a teacher so our little friends can't get into it in the front entrance.

Everyone also needs a sun hat, change of clothes, swim suits and towels, to remain at the daycare for the summer.

Rainbow Giving-Back Project for June:

This month we will be making seed treats to put in the yard for our feathered friends.
