14TH - CLOSED FOR THANKSGIVING

17th - the children will be hosting a baby shower for our student Simran

23rd - World Apple Day (FIELD TRIP TO BUY APPLES & PUMPKINS) (homemade apple crisp for snack!)

23rd - Pumpkin Carving Day

31st - Halloween party in the morning (bring a costume if you wish). Lots of games, treats and fun for everyone!

We are focusing on independence skills right now. Children need to be able to dress themselves and put their own footwear on before they go to school (and it's a huge help to us and you too!) It takes a little extra time right now, but mastering these skills is important for children's self-confidence and sense of achievement. Younger children may not have the coordination and cognitive skills to complete the job yet, but it's never too early to start practicing. We appreciate your support in maintaining consistency between home and daycare.

"Never do for a child what he can do for himself. A "dependent" child is a demanding child..

Children become irresponsible only when we fail to give them opportunities to take on responsibility."

- Rudolf D. Reikurs & Margaret Goldman

Kids Money Lessons

Please send your child in layers of clothes, and send a hat and mittens, as mornings are cool and afternoons are warmer. Soon we'll need snowsuits and boots! And lots and lots of mittens. Mittens don't have to match, and if you have spare singles we can always use them!
